### Choice of cover

The Global Health plans offer expatriates a wide-ranging choice of cover from a standard emergency plan like Essential Care right up to the top-of-the-range Platinum plan offering the most benefits with the highest limits.

An expatriate or employer looking for the most cost-effective cover can achieve significant savings by identifying which benefits are key to their needs, which are nice to have, and which they can do without.

Talk to your broker or one of our sales advisers who can help you choose the plan that best fits your needs.
